

Prospective Vendors

We most definitely would like to work with you to increase your sales. Our site includes general information on our leasing company along with our application.

All funding sources like the good credit-worthy customers but we have access in our network to several sources that have the ability to structure and work out the challenged and start-up deals also. This way, you the vendor can make the sale and pull almost any deal through. Turnaround time on the better deals is approximately a day to process and the challenged ones range from one to three days.

I look forward to working with you as you work towards your goal of increasing your sales and service at your company and making it a turnkey process for your customers. Please contact us at (919) 250-0849 or e-mail at leaseadv@mindspring.com if you have any questions.
